- April 20-21 PICTURES
- May 17 & 18 Rehearsal
- May 19 Recital

No Scheduled holidays till Easter!!!!

The warm weather has definitely created spring fever at the dance studio! It's hard to put on the dance tights and head to class when it's so warm and pretty outside. Good attendance is imperative to keep learning technique and choreography for the spring recital. Please bear in mind that instructors are not available in the spring to give "catch up" lessons for students who miss classes.

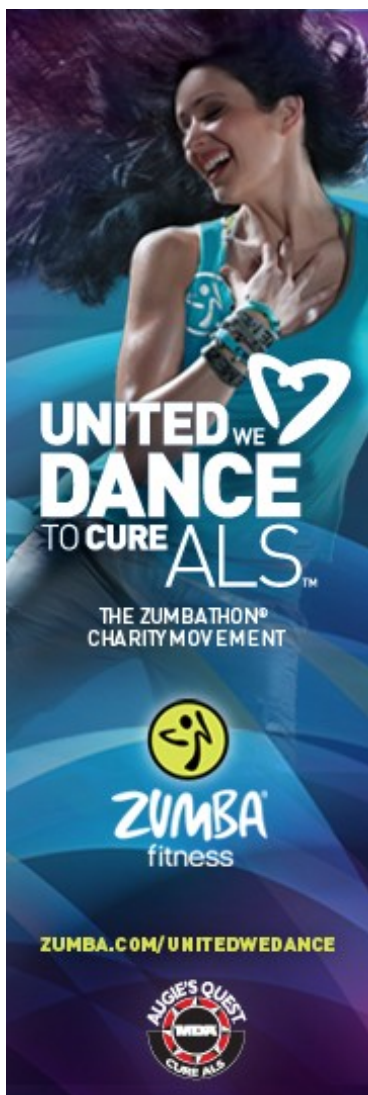

Several have asked what steps we are taking to prevent an outbreak of virus in our studio. If you've ever been to the

studio in the evenings, you know that the staff sanitizes the bathroom surfaces each night. Hand sanitizer is available in every classroom. We are sanitizing our dance barres as well. We certainly want to do our part to keep our dance family healthy and happy!

The lost and found crate is still overflowing. It's amazing how many pairs of lost dance shoes we have. We'd love to sell you a new pair of shoes, but your missing shoes just may be in the lost and found!

Visit the Dance Shoppe
For Gifts for your Valentine Dancer!

We've had issues with a few dance students left in our lobby for extended periods of time while siblings are in class. We cannot be responsible for your children who are not in class. The dressing room is not a hang out. Playing outside without a chaperone is unsafe. We want to keep all of our students safe, and keep order at the studio as well.

Zumbathon® to benefit ALS - Friday, March 30

We will host a Zumbathon on Friday night, March 30 to benefit ALS. This will be a two hour special event from 7:00-9:00PM. Tickets in advance are \$10. Tickets at the door will be \$15. All participants must purchase a ticket for the event. "United we Dance

to Cure ALS." For more information about the Zumba® Fitness program at our studio, log onto our website or get details from our office.
