Designated Classrooms are subject to change pending enrollment. All age groups are approximate. Returning students should consult with the instructor for the best class placement. New students may be asked to take a placement evaluation before entering any intermediate level classes. Combination classes are designed for beginners and those students who have completed Pre-Ballet. Special permission must be given for first time Pre-Pointe students and Pointe Classes. Lee-ettes (our performing HS tap line) are chosen each spring by audition. This schedule may be revised as needed. A \$25 Registration fee per student is required to secure a place in our fall program. Fall Classes begin Tuesday, September 4, 2012. The season ends with the Spring Recital May 18, 2013.
